### New Facebook Page and Website

As part of the windup process of the old club the Facebook page has had to be closed down. We have opened a new page under the new club name so make sure you like the new page. A new website will be launched soon so keep an eye out for that too.

### Holiday Program

Our January school holiday program will be advertised and open for enrolments soon. We will be offering full and half days of fun for kids from 5-16yrs. As well as our holiday trampoline programs, we will be offering tumbling programs. These programs are a great way for kids to try the sport before enrolling in term classes. It is also a great way for our existing members to continue their training during the holidays and have fun with friends.

### Fundraising

Fundraising is an integral part of our Club. It assists with the upgrade and purchase of new equipment and assists athletes who wish to compete at National and International events.

You should have received information on our Xmas ham fundraiser. If you did not receive an order form they are available at reception.

This is a great way to support your club and to have a tasty ham for Xmas. Remember to order and pay for your ham by Monday 5<sup>th</sup> December.

### Birthday Parties

Did you know that SSTGA offers birthday party packages?

If you have a birthday coming up and would like to celebrate it at the club, please see reception or email us for more information.

### Wrap Up

Thank you to all members for supporting the club in 2016. We are looking forward to providing you all with an enthusiastic and professional approach next year.

From everyone at the club we wish you all a merry Christmas and a happy and safe new year and we look forward to seeing you at the club in 2017.
